The second-generation  
Chevy

# Access PDF 1970 1971 1972 Chevy li

Chevrolet Camaro is an American pony car that was produced by Chevrolet from 1970 through the 1981 model years. It was introduced in the spring of 1970. Build information for model 123-12487 was released to the assembly plants in February of that same year. It was longer, lower, and wider than the first generation Camaro.
