The Company: Workshop Books Inc. is Janet Caughlin's educational book writing and training business. It is through Workshop Books Inc. that Janet develops the best-selling series of Workshop software tutorials for her publisher, Tom Snyder Productions. The good folks at Tom Snyder then make the books available to you and other K-12 educators and students nationwide.

Workshop Books--About

The third student adds, "So the rabbit put it in a wagon to pull it to his burrow." After the time is given for the pods to come up with their three-event stories, instruct the students to move to a new pod. In those groups, they must retell their stories with perfect accuracy to their new pod members.
