DAF is an environmental leader, offering a full range of fuel efficient and ultra-clean diesel engines meeting the most stringent emission standards. DAF was among the first European truck manufacturers to comply with the ISO 14001 standard for environmental care.

About DAF - DAF Trucks N.V.

The 95 brought new levels of driver comfort,(particularly with the high-roof space cab variants) with ample space inside the well sprung cab. The 95 series featured DAF's well proven 12 litre I6 ATi (advanced turbo intercooling) engine in 310,350,360,400 and 430 hp outputs, coupled to a ZF 16 speed range change/splitter gearbox. The basic cab design was so good that it remains in production to this day, latterly as the 95XF and now the XF105, although both these "developments" of the ...
