Earth is the third planet from the Sun and the only astronomical object known to harbor life. While large volumes of water can be found throughout the Solar System, only Earth sustains liquid surface water. About 71% of Earth's surface is made up of the ocean, dwarfing Earth's polar ice, lakes, and rivers. The remaining 29% of Earth's surface is land, consisting of continents and islands.

Andean peoples, aboriginal inhabitants of the area of the Central Andes in South America. Although the Andes Mountains extend from Venezuela to the southern tip of the continent, it is conventional to call "Andean" only the people who were once part of Tawantinsuyu, the Inca Empire in the Central Andes, or those influenced by it. Even so, the Andean region is very wide.

In the beginning, God created the heavens and the earth. The earth was without form and void, and darkness was over the face of the deep. And the Spirit of God was hovering over the face of the waters. And God said, "Let there be light," and there was light. And God saw that the light was good. And God separated the light from the darkness.
