Broadcasting is the distribution of audio or video content to a dispersed audience via any electronic mass communications medium, but typically one using the electromagnetic spectrum (radio waves), in a one-to-many model. Broadcasting began with AM radio, which came into popular use around 1920 with the spread of vacuum tube radio transmitters and receivers.

Edward R. Murrow . Murrow's illustrious career in the media came to an end in the early 1960s. In 1958, following the cancellation of See It Now, Murrow delivered a scathing speech to a meeting of radio and television executives, chastising them for the shallow and mundane nature of television programming. Murrow soon parted ways with William Paley and CBS, but not before one final news
