Nocturnal witchcraft is geared towards people who have a connection to the nighttime energies that are present after everyone goes to sleep. This is in no sense a book on black magic. People can fall into one of four categories and they can change within their lifetime. The first type

And of course, there is the popular book by Konstantinos called "Nocturnal Witchcraft: Magick After Dark". It's actually a very good book, and written in an easy-to-read style that comes across as just having a conversation with someone. The topic is well explained, and focuses on the fact that "dark" is not the same thing as "bad" or
