The Black Paladin dug his hands into the fabric of his shirt, pushing him harshly against the wall, "Where is Lance?!" Keith snarled. It really was remarkable how his eyes changed to resemble those of pure Galra. It would have scared him if his introduction to the guy hadn't been a gushing retelling of a 'bonding moment' between him and his ...

He wanted to change things, make them better for Armin, for Mikasa. But he was scared, so scared that one little change would cause their deaths. If he really wanted to change things, he would have to actually think things through. It would be the first time that had happened in a few years for Eren instead of following the script he had laid out.
