On 19 April 2020, one month after the first case was confirmed, the Ministry of Education confirmed that all primary and secondary schools will begin a transition to online learning across all grades, with online classes to start from 4 May 2020. All universities have already transitioned to online learning and began classes from 2 April 2020.

Impact of the COVID-19 pandemic on education - Wikipedia

Education is the process of facilitating learning, or the acquisition of knowledge, skills, values, morals, beliefs, habits, and personal development. Educational methods include teaching, training, storytelling, discussion, and directed research. Education frequently takes place under the guidance of educators; however, learners can also educate themselves.
