That's the philosophy behind the 20TimeProject for schools. As a company, Google encourages employees to spend 20% of their time on passion projects that they design.

Bookmark File PDF The 20time Project How Educators Can

The 20TimeProject, detailed in a book by Kevin Brookhouser, promotes the same philosophy for our students. The goal is to provide time for students to work on independent projects, outside of the confines of traditional content areas, schedule restraints, and the flow of a typical school day.

20-Time In Education Inspire. Create. Innovate.

In education the 20% project is a little different for each teacher. There seems to be a divide between teachers who want to give complete autonomy and those who give a little more frontloading before and a little more guidance during.
